

Dear Community Partner,

On behalf of the Rotary Club of Fleming Island, we would like to provide an opportunity of partnership in the

FIT LIFE FLEMING ISLAND ROTARY 5K RUN and FAMILY, 25 MILE and 50 MILE ROTARY RIDE

Saturday, April 9, 2011 from 2:30 pm – 10:00 pm

The run is a 5k (3.1 mile) Walk / Run through Fleming Island. Over 300 runners and walkers participated in our run last year and over \$7,000 was raised and donated to local charities in Clay County.

The bicycle rides are designed to be fun exercise and fitness opportunities for all ages and levels. The rides will be several: safe, family oriented 5 and 10 mile rides on residential streets in Fleming Island Plantation designed for kids as well as adults, and 25 mile and 50 mile rides for the more experienced cyclists, taking in beautiful Southern Clay County, serene acreage, and some small hills.

Fit Life Village is the hub of both events and open to the public with no cover charge. Gates will open early and stay open late. Several Fleming Island food & beverage vendors will be on hand, bouncy houses and slides for the kids, climbing walls, live band music, DJs & Emcee's, fitness and wellness information booths, and much more.

Fit Life Fleming Island and its health care community partners want to *team up with you* to raise funds that can save lives in North Florida, by promoting fitness "cradle to grave".

Registration proceeds from Fit Life Fleming Island events will be used by the Rotary club to support the Navy Marine Corps Relief Society and other local charitable causes. We support non-profit organizations operating at the local, regional and international levels, with particular emphasis placed on helping groups that are dedicated to serving the most in need.

Please see attached list of sponsorship opportunities. We look forward to working with you. Please contact us with any questions and/or if you need additional information.

Sincerely,

John J. Harrington
